

6th Annual *Best Ball* Golf Tournament to Benefit Camp Victory Scholarship Fund June 10, 2011 NOON SHOTGUN START!

You're invited!

Dear Friends,

Thank you for giving us the opportunity to share a ministry outreach that we are very excited about.

During the summer months of 2010 we again had the wonderful opportunity of youth ministry with nearly one thousand children including staff through the summer youth camps. Due to the wonderful success of the golf tournament that we held last year, we were able to offer over 200 children financial aid so that they could attend one session of Camp Victory.

Please join us in our efforts to make the summer of 2011 a memorable experience for children attending Camp Victory. For more information, visit: www.campvictory.com.

Maple Valley Golf Course has been heralded as the most beautiful golf course in Southeastern Minnesota. Surrounded on three sides by limestone bluffs and the Root River, it gives the course a natural difficulty. Whether it is teeing off of the 50 foot drop on hole 3 to the green below, or being surrounded by water hazards on all sides of hole 15, our Creator has done well, making your job both difficult and gorgeous. Having been named the #1 Golf Course in Southeast Minnesota by Rochester Magazine in '98, '99, '01, '03, '04 and '05, we guarantee you won't be disappointed!
