

Zumbro River Community Festival/Canoe Race Event Sponsorship Form

The Zumbro River Community Festival/Canoe Race is a benefit for disadvantaged youth. Funds raised from this event benefit children from organizations such as the Friendship Place, Children's Mental Health and Resource Center, Olmsted County Social Services, and other community entities. Many children get to experience a week at Camp. Funds raised also enable Camp staff to provide programming for young people in various community neighborhoods.

The Zumbro River Community Festival/Canoe Race Committee thanks you in advance for your support. Because you care and invest, many young campers will have an opportunity to experience God's creation, to build real and lasting relationships in a healthy and safe environment, and to experience an unforgettable, fun-filled week.
